Thank-you 1

I would like to thank everyone who made my 90th birthday celebration on the 23rd May such a special occasion. I was deeply moved by everyone's kindness, good wishes and found the whole day quite overwhelming. I would particularly like to thank Janet and Val in the kitchen, and Kath and Rene for the beautiful cakes as well as everyone who joined us for lunch and what a fantastic spread and lovely fellowship. There are not words to express how much I appreciated the whole day.
Thank you again

Norah Thomas

Thank-you 2

Thank you all so much for your prayers, cards, e-mails and phone calls received during my recent episode of breast cancer. I certainly had the favour of God upon me, from diagnosis to operation to complete recovery I have experienced no problems, so I truly Praise Him for His faithfulness and for placing me in such a loving church family who truly showed love and concern.

Rene Baitrip

Thank you 3 and 4

"On behalf of my wife and I can I please say a massive but belated thank you to everyone who contributed in any way to our wonderful wedding day in April. I am sorry that it has taken so long to do so but for various reasons we have not had the chance to catch up with everything. We had a beautiful day memorable for all of the best reasons shared with our friends and family. Everyone who came to the service but has not been to Potter Street before has commented on how wonderful the atmosphere is and how warm and friendly the people are and how much they enjoyed Alison's leading and as for the singing.....amazing. Thank you all so much for making it the day it was.

On a separate note, another thank you for your prayers , telephone calls, cards, flowers , love and support during Sharon's' recent operation and ongoing recovery. Although we do not yet have the final post operation test results (which we are due to get on 27th May) the operation itself achieved what it intended to do, we just now need confirmation that it has completely done its job. Sharon is making a good but slow recovery and is now suffering some post operative bugs needing antibiotics and other medication so we would value your ongoing prayers whilst she gets back to full fitness.

Whilst we thank God for looking over us during this difficult time we also remember and pray for everyone else going through their own trials and tribulations. Our own situation as difficult as it has been, is hopefully drawing to a successful conclusion but we are aware that for others theirs goes on. Our prayer is that God will intervene in them all and bring healing, peace and resolution whatever the need."

Sweet Fair

Sat 26th June, 11am-4pm

Aim: To promote the church in our community, esp. to young children and their families. We want people to feel comfortable here and to enjoy their stay - with plenty of time and opportunity to chat and build up relationships.

The Event:

*The garden will be a place to sit and enjoy a cup of tea - whilst the children can enter a colouring competition, wordsearch and treasure hunt.

*The church will be a supervised 'indoor stay and play' area.

*The hall will have a variety of stalls to come and 'make and do' - all on a 'sweet' theme.

How You Can Help:

- Pray.
 - Be There
 - Donate cakes/jams.
 - Steward
 - Make tea/coffees
-

- Run a stall (for 1 hour)

Let us know by signing up to the sheets in the church annex. Together let's make this a real success - and bring honour & glory to God through it.

Thank You,

Elise Turnell

EBA PRAYER REQUESTS FOR JUNE

June 6th Harlow – Church Langley LEP

(Ecumenical - Anglican, Baptist, Methodist, United Reformed)

Vicar: Anglican – Rev. Timothy Voltzenlogel,

Baptist Lay Pastor – Vic Brown

We give thanks to the Lord for planning permission to extend our premises: also our recent pledge day exceeded expectations and will enable us to complete the building work and develop our witness in the local community.

Pray for our recently appointed schools, families and estate missioner, who has already made many good contacts in these areas. Give thanks for new families attending church and the links being made through our Thursday morning coffee stop. Finally, may our vicar Tim be given wisdom, vision and encouragement as he heads up this united witness.

June 13th Harlow – Fore Street

Minister: Vacant

The congregation at Fore St. Harlow is thankful to God for his sustaining hand through this time of pastoral vacancy; for the blessings we have received as visiting preachers have come to minister to us from God's word, and for the encouragement of seeing His Kingdom work of outreach and discipleship continue.

Please pray for us as we seek to be led by the Holy Spirit in the appointment of a new minister, and for those in positions of responsibility as they seek to serve and lead the Church at this time.

Please also pray for the physical well-being of our congregation, as some have taken not well recently.

June 20th Harlow – Potter Street

Minister: Rev Alison Taylor

2010 has been an exciting year so far at Potter Street and we give thanks to God for that, with a Baptismal service, a Service being led by our young people, Prayer Ministry Day, Holy Spirit and Lent workshops all being well attended.

Please pray for

Our Coffee Morning and lunch club – that are already well supported, we start to see more attending church regularly

Our Youth Work – that the youngsters in these pressured times are able to resist temptation

4 of our young people to be Baptised in June – that they will feel Gods love surrounding them at all times

Our football team – that we might be a witness to them

Our pantomime preparations

June 27th Hawkwell

Minister: Richard Iles

We give thanks to God for the continuing life and witness of our Church. We praise God for the Children's and Young Peoples work. Please pray for the 190 young people in our Boys' and Girls' Brigades, and those responsible for their leadership.

Please pray for us as we engage in community activities over the coming year, so that the members and leadership team may discern the Lords guiding in all that is planned.
